BLOOD HUNT

DON PERLIN

1929 - 2024

Marvel pauses to remember longtime penciler, inker and former managing art director Don Perlin, who co-created Moon Knight and was a mainstay on series such as *Defenders*, *Ghost Rider* and *Werewolf by Night*. Born Aug. 27, 1929, in New York City, Perlin studied under Burne Hogarth and attended the Cartoonists and Illustrators School. He began professional work in the late 1940s and would work with Will Eisner on *The Spirit* comics before being drafted in 1952. Perlin wouldn't come back to comics full-time until the 1970s, when Marvel Editor in Chief Roy Thomas recruited him to draw *Werewolf by Night*. In that series, he co-created the vigilante hero Moon Knight with writer Doug Moench. He also co-created Tigra with Tony Isabella and was the longest-running penciler on the *Defenders* series. In the 1980s, he became Marvel's managing art director, working under John Romita Sr. and, among other things, helping oversee the up-and-coming artists in the Romita's Raiders program. He moved on in the 1990s to Acclaim and Valiant comics, where he co-created some of their most important characters. Perlin was well-liked in the comics field and respected for decades of great work. Our hearts go out to his family and all those who knew and loved him.

World War I and II hero James Montgomery Falsworth had built up a legacy of being the United Kingdom's hero, **UNION JACK**. During Falsworth's last moments, the working-class **JOEY CHAPMAN** stepped up to the challenge and learned to take up that legacy as...

THE RIPPER

BLOOD HUNT

PREVIOUSLY

Around the globe, superhumans with a connection to the **DARKFORCE DIMENSION** simultaneously lose control of their powers. The eruption blacked out the sun, creating an eternal night—which has allowed vampires everywhere to launch a coordinated and brutal attack against humanity!

UNION JACK is attempting a one-man war on the vampire invasion...but needs more help than he's willing to admit. With his former teammate-turned-vampire, **BULLDOG**, Joe is going to find a way to save him...even if he dies trying.
